

# Cultural Program 2015

15.05.2015_Stadtmuseum	
<b>Event:</b>	Welcome Event – Stadtmuseum Dresden (Wilsdruffer Straße 2, 01067 Dresden, closest tram station: Pirnaischerplatz (1,2,3,4,7,12))
<b>Date:</b>	Friday, May 15, 2015
<b>Description:</b>	<ul style="list-style-type: none"><li>• Meet in the education room for a short introduction of all participants and words of welcome from the ASiiA coordinators.</li><li>• Engage in intercultural training exercises and network with other students.</li><li>• Short lunch in Education room (students should pack their own lunch)</li><li>• Tour through the Stadtmuseum. Interactive piece involving pairing up Albertan students with Saxon students and allowing them to explore the exhibits on their own and choose an object that is of particular interest to them. The students will share why they chose this particular object in front of the rest of the group. With this, hopefully the Saxon and Albertan students will learn from each other's differing perspectives and come out of the event with some new insights on each other's cultures.</li><li>• Mingle and chat with students</li></ul>
<b>Objective:</b>	This event will welcome the Alberta students to the program and introduce them to Dresden from the medieval times until present day. With the participation of Saxon ASiiA participants, this will also act as an intercultural experience where both sets of students can meet and learn from each other's perspectives. We hope that by the end of this event, students from both sides will have learned about their fellow students and that the Albertan students will have been introduced to Dresden as a city.
<b>Cost:</b>	7 Euros per person (maximum, the price may decrease depending on funding availability)

## Schedule:

9:50 AM	Meet at Stadtmuseum Dresden
